IN RE: C.R. BARD, INC., PELVIC REPAIR
SYSTEM PRODUCTS LIABILITY LITIGATION

MDL NO. 2187

THIS DOCUMENT RELATES TO ALL CASES

PRETRIAL ORDER # 27
(Amended Plaintiff Fact Sheet)

1. Plaintiffs' Fact Sheets.

a. As previously noted in PTO #9, the parties have agreed upon the use of a form Plaintiff Fact Sheet ("PFS"). Subsequent to PTO #9 being entered, MDL 2187 was expanded to include pelvic mesh products manufactured or sold by C. R. Bard, Inc. in addition to the Avaulta® line of products listed on the original PFS. This expansion necessitated an amended PFS, attached to this Order as Exhibit A. The amended PFS attached to this Order shall apply to each case that becomes part of MDL 2187 by virtue of being filed in, removed to, or transferred to this Court after the date of this Order. Plaintiffs in cases filed and made a part of MDL 2187 after the entry of PTO #9 (June 7, 2011) but prior to the entry of this Order who have not yet completed a PFS shall complete the amended PFS attached to this Order if the claims relate to products not included on the original PFS.

b. In cases filed after the date of this Order, each Plaintiff shall submit a completed PFS within sixty (60) days of filing suit.¹

¹ If a Plaintiff is suing in a representative or derivative capacity, the PFS shall be completed by the person with the legal authority to represent the estate or person under legal disability. Plaintiff spouses with loss of consortium claims shall also sign the PFS, attesting that the

c. A completed PFS shall be considered interrogatory answers under Fed. R. Civ. P. 33, responses to requests for production under Fed. R. Civ. P. 34, and will be governed by the standards applicable to written discovery under Federal Rules 26 through 37. The interrogatories and requests for production in the PFS shall be answered without objection as to the question as posed in the agreed upon PFS, however Plaintiff may assert objections for that individual plaintiff to specific questions where appropriate, and Defendants reserve all rights to challenge such objections. This section does not prohibit a Plaintiff from withholding or redacting information based upon a recognized privilege. If information is withheld or redacted on the basis of privilege, Plaintiff shall provide Defendants with a privilege log simultaneously with submission of the PFS. If a dispute arises concerning the completeness or adequacy of a Plaintiff's response to any request contained in the PFS, this Section shall not prohibit the Plaintiff from asserting that his or her response is adequate, and Defendants reserve all rights and objections.

d. Every Plaintiff is required to provide Defendants with a PFS that is substantially complete in all respects, answering every question in the PFS even if a Plaintiff can only answer the question in good faith by indicating "not applicable" or "I don't know."

e. Authorizations for the release of records. Plaintiffs shall provide agreed upon authorizations for the release of medical, insurance, employment, Medicare/ Medicaid, Social Security. In the event that an institution, agency, or medical provider to whom any authorization is presented refuses to provide records in response to the authorizations Plaintiff provides, the parties' vendor will notify the parties (according to its contract with the parties) and

responses made to the loss of consortium claim questions in the PFS are true and correct to the best of his knowledge, information and belief, formed after due diligence and reasonable inquiry.

the individual Plaintiff's attorney shall attempt to resolve the issue with the provider, such that the necessary records are promptly provided. The parties' vendor will obtain records and post them to a secure database, accessible to the appropriate individuals for all parties, according to the parties' contract with the vendor and the parties' agreement for a 10 day grace period for Plaintiffs to review documents in advance of such posting.

f. Plaintiffs shall provide dated authorizations, applicable for one year from the date of execution by Plaintiff. Plaintiffs shall have the responsibility of obtaining new releases from any Plaintiff whose authorizations are more than eleven months old and will have the responsibility to promptly obtain new releases for any Plaintiff for whom a provider objects to the age of the authorization within fifteen (15) days of notice of such objection by a provider. In the event that dated authorizations become an impediment to prompt obtaining of records generally, the parties will meet and confer to discuss the provision and protection of undated authorizations. Signed authorizations constitute permission for the parties' vendor to obtain records from records custodians.

g. Any Plaintiff who fails to comply with the PFS obligations under this Order may, for good cause shown, be subject to sanctions, to be determined by the Court, upon motion of the Defendants.

h. If a Plaintiff fails to timely submit a PFS, or if Defendants receive a PFS in the allotted time but the PFS is not substantially complete, Defendants' Lead Counsel shall send a deficiency letter by facsimile and U.S. mail to Plaintiffs' Liaison Counsel and Plaintiffs' individual representative counsel, identifying the purported deficiencies. Plaintiff shall have twenty (20) days from receipt of that letter to serve a PFS that is substantially complete in all respects. This letter shall include sufficient detail for the parties to meet and confer regarding the

alleged deficiencies. Should a Plaintiff fail to cure the deficiencies identified and fail to provide responses that are substantially complete in all respects, Defendant may move under Federal Rule of Civil Procedure 37 for appropriate relief. Any such filing shall be served on Plaintiffs' Liaison Counsel and the Plaintiffs' individual representative counsel, with any response to such filing to be submitted within ten (10) days following the date of service. Any such filing should set forth the efforts the Defendants made to meet and confer regarding the alleged deficiencies in the PFS and failure to cure.

2. Defendant's Fact Sheet.

a. The parties have agreed upon the use of a form Defendant Fact Sheet ("DFS"), attached to PTO #9. No changes have been made to the DFS and it shall continue to apply to every case within MDL 2187, and in all other cases that become part of this MDL by virtue of being filed in, removed to, or transferred to this Court.

b. All obligations and deadlines related to completion of a DFS as outlined in Section 2 of PTO #9 remain in full force and effect and are incorporated herein.

IT IS SO ORDERED.

The court **DIRECTS** the Clerk to file a copy of this order in 2-10-md-2187 and it shall apply to each member Bard-related case previously transferred to, removed to, or filed in this district, which includes counsel in all member cases up to and including civil action number 2-12-cv-00361. In cases subsequently filed in this district, a copy of the most recent pretrial order will be provided by the Clerk to counsel appearing in each new action at the time of filing of the complaint. In cases subsequently removed or transferred to this court, a copy of the most recent pretrial order will be provided by the Clerk to counsel appearing in each new action upon removal or transfer. It shall be the responsibility of the parties to review and abide by all pretrial

orders previously entered by the court. The orders may be accessed through the CM/ECF system or the court's website at www.wvsc.uscourts.gov.
